PRODUCTION DESIGNER | ART DIRECTOR

I am an award-winning production designer and art director based in Los Angeles. With a passion for art and interior design, I specialize in crafting layered and detail-oriented worlds that bring artists' visions to life. My distinctive eye for color and dedication to my craft have led me to work on an array of projects, including features, TV series, music videos, and commercials. I have collaborated with renowned brands such as Nike, Hulu, and Disney, showcasing my proficiency in creative direction, set design, art coordination, and project management.

CAREER HIGHLIGHTS

DISNEY EXPERIENCES

April 2024

Project Manager

As the Production Manager for a confidential Disney Experience, I collaborated closely with the Creative Director and Executive Producers to achieve project goals. I provided onsite support and managed various production deliverables to maintain workflow efficiency and meet project objectives.

TIKTOK

March 2024

Production Designer

I oversaw the creation of ten unique sets for TikTok's "Mindful Scrolling" ad campaign. I managed prop sourcing to ensure visual consistency and thematic alignment while collaborating closely with directors and the TikTok team to realize their vision and meet campaign objectives.
